

**NORTH DAKOTA DEPARTMENT OF TRANSPORTATION  
SPECIFICATIONS  
FOR  
MINI PASSENGER VAN WITH MOBILITY PACKAGE  
ADA COMPLIANT**

**Bidders Instructions:** Indicate compliance to the specifications on the "COMPLY YES/NO" line by each specification. Indicate any deviations from the specifications whether the minimum specifications are met or not on the "SPECIFICATION DEVIATIONS" line. Failure to comply with bid specifications may result in rejection of the bid. The state reserves the right to waive minor deficiencies or technical variances.

These specifications are intended to provide a general description of an ADA compliant minivan equipped to transport the mobility impaired. The unit shall be of standard production, new model with standard accessories, and in addition, shall meet but not be limited to the following minimum specifications.

Successful low bids for modified vehicles must include the following FTA (Federal Transit Administration) required documents (**Standard production vehicles are exempt**).

- 1) A copy of the manufacturer's self-certification to National Highway Traffic Safety Administration, that the vehicle(s) meet all applicable Federal Motor Vehicle Safety Standards (FMVSS),
- 2) A summary of the test results from the FTA testing facility, that the model being bid has been tested at the Federal Transit Administration-sponsored test facility in Altoona, PA, in accordance with FTA C90-40.1E and FTA C90-401E dated 10-01-98 at the time of the bid opening,
- 3) Documentation that the manufacturer of the vehicle being bid meets the Disadvantaged Business Enterprise (DBE) requirement set by the Federal Transit Administration (FTA), and
- 4) **Buy America. If vehicle cost is over \$100,000**, documentation must show that 60% of the bus and final assembly was made in the U.S.
